The facilities for a complete high school program are of the best and in this day of accent on science Franklin can be especially proud of its fine laboratories.

VARSITY FOOTBALL

Coach -- George Brumm

This team will always be known as the smallest but toughest team in the CCC. Many thrilling victories were enjoyed due to desire, willingness to work, and team enthusiasm. We feel that these experiences will carry over into the future lives of the team members and also set a pattern for future Franklin students and players.

VARSITY BASKETBALL

Coach -- Ernie Marcopulos

This basketball team is the first Franklin varsity team that lost more games than it won. Lack of height and shooting ability were the team's major deficiencies. Although the boys were outscored, they were never out fought. This team will always be remembered as one that could take it when the going got tough.

TRACK TEAM

Coach -- Dave Radmore

Many Franklin tracksters made this an outstanding year by cracking school records in most every meet. Winning the CCC crown was the highlight of the spring.

SWIMMING TEAM

Coach -- Vance Paulson

Though coming out on the short end of scores, the swimming team had a "splashing" good time. The sport is still in its infancy at Franklin High.

"B" FOOTBALL

Coaches Peregoy and Radmore

One more win somewhere along the line would have put the Franklin "B" football team in a tie for first place to win the league. An upset loss to Manteca, who only won one league game, and a one-point loss to Lodi were the low spots of an otherwise successful season for the little Jackets.

BASEBALL TEAM

Coach -- Carl Peregoy

The Franklin baseball team started the season with one of the best pitching staffs in the league and a good defensive team but the batting potential left a lot to be desired.

The success of the team depended on the consistency of veteran pitchers, Marion Kvidera and Wilbur Barton, plus the ability of the batters to get a few runs each game.

Honors Day, a semi-annual event, now looms very important in the lives of Franklin students and faculty. On this occasion, honors and awards richly deserved by students are bestowed at an assembly, and other activities are scheduled which make it truly a day of honors.

John Adamson is offering congratulations at the Honors Day Breakfast Feb. 26.

Alberta Bjornsen receives one of the awards given out at the Honors Day Assembly.

Virginia Armstrong and Ruth Davis receive hand shakes from Mr. Gallagher after being informed that they had won trips to Valley Forge.

Leon Iker accepts his award.

Lester Smith and Pat Riggs won honors as student representatives to Valley Forge as a result of Franklin winning the Freedoms Foundation Award.
